

ADELMO (DEL) ARCHULETA

2025-2029 | ALBUQUERQUE, NM

Del Archuleta is a native New Mexican and has devoted his life to giving back to the community and improving the lives of New Mexicans. He is considered one of New Mexico's most committed and humble public servants. For over 45 years, his impact has been profound using his public service, community service and his engineering expertise to benefit others. He served as the majority Owner and CEO of Molzen Corbin for over 35 years, one of New Mexico's largest and most respected engineering and architectural firms. Over his professional career he gained an enviable reputation as a professional water resources engineer and many of his designs were the recipient of numerous State, Regional, and National awards.

Del, motivated to make his community better, has served on numerous local and state boards, including the Greater Albuquerque Chamber of Commerce, UNM Hospital, PNM, Bank of Albuquerque, Explora Science and Children's Museum, Presbyterian Healthcare Services, and United Way of Central New Mexico, to name a few. He also had multiple appointments by Governors Richardson and Martinez during their time in Santa Fe.

Del is an alumnus of NMSU, former NMSU Regent, and also holds an Honorary Doctorate by his alma mater. Despite this, he is a lifetime Lobo supporter. He has been blessed in raising three outstanding sons and being married to his wife of 50 years, Rebecca Gonzales Archuleta.
