

BRANDON PUTNAM

2026-2030 | PHOENIX, AZ

Brandon Putnam is a Vice President in the Business Insurance division at Marsh, the global leader in insurance and risk management. Marsh helps organizations identify, quantify, and manage risk through a combination of deep industry expertise, global resources, and data-driven insights.

Based in Phoenix, Arizona, Brandon works out of Marsh's Scottsdale office, where he partners with clients in the construction and manufacturing sectors. He leads teams focused on insurance program design, risk financing strategies, captives, benchmarking, compliance, and overall risk management. His work is centered on helping clients reduce their total cost of risk while improving operational resilience.

Prior to joining Marsh, Brandon spent 12 years with Brown & Brown Insurance as a Property & Casualty Broker. He has previously served on the board of the Valley of the Sun Construction Financial Management Association (CFMA). He also participates in the Arizona Builders Alliance.

Brandon grew up in Albuquerque and Santa Fe and attended St. Michael's High School. He earned a BBA in Entrepreneurial Studies from the University of New Mexico's Anderson School of Management in 2010, where he was also a four-year letterman on the men's golf team. He relocated to Phoenix in 2014.

Brandon lives in Phoenix with his wife, Jennie, (UNM Softball 2008) and their two children, Mila and Carter. Outside of work, he enjoys being active through yoga, hiking, and golf. His parents, Mike (UNM Golf 1982) and Debbie, live in Albuquerque.
